MEMORANDUM

To: Whom This Matter May Concern

From: Gaylon J. Nettles

State Attendance Officer

Re: Certificate of Child's Incapacity

Date: October 4, 2005

Schools report that chronic absenteeism due to alleged health problems is a significant issue for administrators and teachers. In addition, both federal and state law require schools to have written procedures for the identification, location and evaluation of students with disabilities as defined by the various statutes (See Section 504 of the Rehabilitation Act of 1973 (34 CFR § 104.32), the Individuals with Disabilities Education Act (20 USCA § 1412 (a) (3)) and 511 IAC 7-25-2 (Indiana Administrative Code)).

The attached form was developed by administrators and attendance officers to provide a response to chronic absences due to health complaints. The form is more elaborate than the usual notes from physicians. It was developed for use as a last resort when the child is experiencing an extraordinary number of absences for health reasons and the school administration needs more elaborate data. Local school letterhead may be used on the cover letter. Department of Education letterhead is on the Certificate.

Questions or comments should be addressed to the State Attendance Officer.
